How to Dive ?

*Simple Orientation (5 to 10 minutes) on board of pontoon or boat

*There is no equipment to operate, and no new skills to learn.

*Wait after climbing down to the same level of their shoulder as undersea and being ready for Helmet putting on.

*You have a full view of their underwater guides' face, which gives a better sense of security.

*No water gets onto the face or head, so glasses and makeup can be kept on.

*Climbing down slowly along with ladder over supporting by Instructor

*Breathe normally underwater.

Waiting for you

*"Marvelous undersea" Sea walking " for 20 to 30 minutes

*Climbing up along with ladder and Take-off Helmet (Completion) with a full satisfaction.
